Greenfield University

Attendance Policy 2023

Effective Date: January 1, 2023

---

1. Purpose

This policy establishes mandatory attendance standards across all undergraduate and graduate degree programs at Greenfield University effective January 1, 2023.

2. Minimum Attendance Threshold

All registered students are required to maintain a minimum attendance rate of 75% in each registered course to qualify for end-of-semester examinations. Students failing to reach 75% attendance will receive an 'FA' (Failure to Attend) grade.

3. Medical Leave Deductions

Excused medical leaves must be certified by the University Health Center within 5 days of absence. Medical exemptions cannot reduce required physical attendance below 65% under the 2023 guidelines.
